Trip Committee Planning Meeting

The Inside Edge

A Publication of the Newark Ski Club

Madam President Says...

As you are reading this, several of our members are getting ready to head off to Colorado for a great week of skiing. From what I hear the snow out there is great and we're all looking forward to spending some great days on the slopes and some great evenings in the hot tub.

Remember the February meeting date has changed. It is going to be on February 13 and we're meeting at Snow Trails. We will be meeting outside the Last Run around 6:00 pm, look for several tables pulled together and orange streamers. This will be an informal gathering to get together and see each other and also spend some time on the slopes at Snow Trails.

Believe it or not it will soon be that time to pick new officers. Our current officers have done a great job and I really appreciate having such a wonderful board to work with. We have a few officers whose terms will end and we will be approaching people to see if there is interest. The terms that are up will be Vice President, Secretary, Activities Director and Membership Director. We also will need to fill the Treasurer's position as Everett is unable to continue with the second part of his term. Please consider devoting some of your time to help make the Newark Ski Club continue as one of the Funest (in Tom's words) Ski Clubs around.

Ginny Young
 President

February 26th Happy Hour

We will have our next happy hour at the **Buckeye Winery**, located in downtown Newark on the square, on Thursday, February 26th. They were a great supporter of our big winter raffle, so let's get together and show our support to this local business.

We will start gathering at 5:30, for those unable to be there at 5:30 please come when you can, there will still be some wine left, I am sure!

Mark our calendars and come our for a winter ski toast!

2010 Trip Planning Committee Meeting

When: Monday, Feb 23 at 6:00pm
Where: Kern's Home

The first trip planning Committee meeting for 2010 trips will be **Monday, Feb 23rd at 6pm**. Any member interested in assisting with next year's trips should attend this meeting. We will meet at Bruce & Kathy Kern's home at 280 Bridle Path, Granville Ohio.

Last year we had 8 members assist with this process and if you were on the committee last year please plan to attend this event. If you are interested in becoming a trip leader in the future, this would be a good trip to see how our club plans trips. If you have ideas as to where the club should travel to next year this would be a great time to let your voice be heard.

Everyone is welcome!

2010 Winter Ski Trip Planning Committee

We are in the process of gathering bids for 2010 ski trips. If anyone has any contacts in the travel industry that would like to complete a bid for a 2010 winter trip please ask them to contact a board member with a proposal.

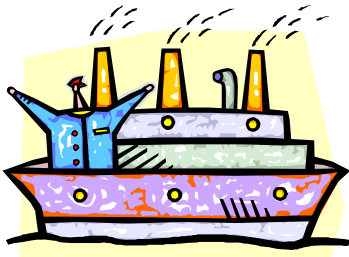

We are also looking for members to assist with the Trip Planning Committee, which will be selecting the trips for next year's winter trips or to be a trip leader. Remember, as a trip leader you receive a discount on the trip, there will be lots of help from board members and members to assist trip leaders.

The San Juan Cruise will begin the first day and evening at The Caribe Hilton in San Juan, it is one of the most luxurious resorts in Puerto Rico, with oceanfront swimming pools, whirlpools and hammocks next to the secluded beach. Summer trips for 2009

Winter it is the greatest time of year for Newark Ski Club Members. I know we are in the middle of one of the best seasons for local skiing in a long time. Snow Trails has the best conditions ever, but it is time to start thinking about our 2009 summer trips. The last two years we have gone to Kelly's Island for a camping weekend. Last year, we even expanded it to a long weekend for several lucky members. Each year the trip has grown and we have changed this trip to it add new adventures it has really been a great event.

We have also gone to Putt in Bay in the past, most often during their Historical Weekend. We have also gone camping at local State Parks, these have also been a great trips. The board would like to know if there is someone out there looking to step forward and lead our summer trip to one of these great locations. We are all available to assist with the planning. If we are going to have any summer trips we really need trip leaders to assist with the planning. Please remember, this is your club and if it were not for the volunteers we have had in the past there would be no wonderful memories, smiles and stories, to share with our fellow members.

So, we are looking for some members to step up and make our summer trips happen. No experience is required, just a desire to make a trip happen.

There may even be some new ideas or places, we as a club could go for a summer trip, we are open to hearing ideas. Please contact Ginny Young or Deb Crall, to discuss summer trip ideas..
